

**TMEA Region 3**  
**February (TMEA) General Meeting Minutes**  
Friday, February 11, 2022 - 5:15 pm

President Ryan Forkner called the meeting to order at 5:15pm. The first order of business was to discuss TMEA auditions for the year. Mr. Forkner recognized division chairs for hosting and organizing the auditions and clinics/concerts. The only event left for the year is the Middle School Choir clinic/concert. Mr. Forkner let everyone know that the the calendar committee would be meeting with Bonnie in March to set the contest dates and locations for the 2022-2023 school year. He asked everyone to check their district calendars for any possible issues and to let him know about them as soon as possible.

There is a new Remind group for our region. Members should text the message @tmeareg3 to the phone number 81010 to join the Remind group. Mr. Forkner also asked the members to fill out the form that was sent through Remind for a chance to voice our input about region and area alignment, specifically to include any information or concerns about the past 2 years. He is aware of the audition tabulation system issues and they are already on the agenda for discussion.

TMEA is making a big push this summer for more people to sign up for the mentorship program. There is a form on the TMEA website that can be filled out to sign up. Mr. Forkner thanked all who have volunteered at TMEA and encouraged everyone to sign up to help if they haven't done so before.

Lastly, Mr. Forkner reminded everyone that elections will take place at the spring Region meeting in each division and that more elections will take place at the state level during the fall meeting. He encouraged everyone to be in attendance at both the spring and fall meetings.

With no new business, Mr. Forkner requested a motion to adjourn the meeting at 5:29pm. The motion carried and the membership split into their divisional meetings.

Respectfully submitted,
